JASHNEER KAUR

Jashneerkaur9@gmail.com | (+91) 7658876962

github.com/Jashneer   linkedin.com/Jashneer

SKILLS

- ❖ **React, React Router, JavaScript, HTML, CSS**
- ❖ **Modular Coding & Component Architecture**
- ❖ **Debugging UI & CSS Overlaps**
- ❖ **Git, GitHub, Open Source Collaboration**
- ❖ **Data Structures & Algorithms (DSA)**

EDUCATION

- ❖ B.E. in Computer Scence| College   *CGPA*: *8.06|2024-Present*
- ❖ XII (CBSE) | School   *70%| 2024*

EXPERIENCE

- ❖ **Open Source Contributor | Social Summer of Code 2025**

   (July 2025-Present)

- Contributing to beginner-friendly repositories with a focus on frontend development.

- Debugged React Router issues and improved modular component structure.

- Collaborated with maintainers to resolve CSS overlap bugs and enhance UI responsiveness.

ACADEMIC PROJECTS

- ❖ **Personal Portfolio**
- Developed a responsive frontend portfolio using React and CSS.

- Implemented modular components and React Router for smooth navigation.

- Focused on UI refinement and layout consistency.

- GitHub Repository: *https://github.com/Jashneer/Personal-portfolio*

ACHIEVEMENTS / HOBBIES

- 🥇 **Certificate of Excellence – CodeClash: The Battle of Logic & Code**
  Lets Code Community, Chitkara University
  Ranked 1241st in DSA MasterMind – MCQ Elimination Round
- ✅ **Selected for Social Summer of Code 2025**
  Contributing to open-source projects with a focus on frontend development and debugging.
- 📈 **Winner – Wall Street Challenge**
  Organized by Chitkara University
  Secured the title *"Bull of Wall Street"* as part of Team APPLE after excelling in algorithmic problem-solving, risk management, and strategic decision-making across three competitive rounds.
